

Wet-Ink Signature Page

The purpose of the Wet-Ink Signature Page is to maintain a record of the handwriting sample and signature of every individual involved in study-related activity and utilises the Florence platform to execute electronic signatures.

Wet-Ink Signatures will be obtained from:

- Every Melbourne Children's Campus personnel directly involved with a clinical trial, e.g., Sponsor-Investigator, Principal Investigator, Research Nurse, Trial Coordinator, Statistician, etc.
- Every Melbourne Children's Campus personnel not directly involved within a clinical trial, but is providing ancillary support to the study, e.g., MCRI COO, Legal Team Representative, etc.

Instructions on Completion:

Complete the form using a black or blue pen. Email a scanned copy of the Wet-Ink Signature Page to the MCRI Florence Organisation Administrator at: Florence@mcri.edu.au

The original copy the Wet-Ink Signature Page must be forwarded to the Melbourne Children's Trial Centre (MCTC) – Level 4, South Building; Attn: Florence Organisation Administrator.

All wet-ink signature pages, once uploaded by administrator, must be shortcut to the same location as the delegation log for ISFs. A scanned copy must also be filed in your Trial Master File (TMF), if applicable.
